Fishing Time Doesn't Count In Age Computation

"Fishing Removes Ego From Presidents And Exes"

A happy man — humble and grateful in his verbal reflections concerning "the great honor being bestowed," dignified in an appealing manner but witty in his observations on a popular postime of Presidents, and ex-presidents, Herbert Hoover once bemoaned himself as a man, a humanitarian, engineer and ex-president.

Celebrities Together

President to some three to four thousand folks last Thursday at Cleveland.

The telecasts on the news hour added thousands more, for even a brief showing clearly indicated the kindly feeling of the man.

The facilities and handling of the crowd were ably handled by Mayor Jones of Cleveland assisted by a well organized and efficient corps of workers. A huge tent was erected and ready nearby the site in case of rain.

Distinguished visitors were provided for, and they were there, the near distinguished and the ambitious-to-be distinguished were also afforded seats near the stand.

A reception at the home of Chairman Loy Anderson in Palm Beach was held the night before and several hundred were privileged to shake the ex-president's hand, as well as that of the President-elect, who came for a visit.

The Governor and his cabinet flew down and returned to immediately after the ceremonies.

Governor Carlson, who TOLD and SHOWED the President-elect about the Lake Okechobee Hurricane of 1928 (rear); Herbert Hoover, who as President DID the constructive thing his engineering background suggested as necessary — he built the dike around the Lake; and Lawrence Will, pioneer settler, businessman, redcap, station manager, Fire Chief and an observer participant and victim of the ravages of our '28 hurricane, who most interestingly wrote of water experience of himself and others.

Lawrence presented to the ex-President a bound copy of his book, autographed, and prizes a copy with Mr. Hoover's signature on its flyleaf.

Fun And Entertainment

Venture PB Co. Fair

In addition to the rides and a few chosen shows, the current South Florida Fair will feature other entertainment for its visitors.

One of the biggest attractions will be the NUBRAD Band, the official band of the North American Air Line Association. There are 75 musicians selected from the U. S. Army, Navy and the Royal Canadian Air Force. The band will play for five days, the 27th thru 31st. The marching band and NORAD Commanders, a dance band will play in separate performances.

Inaugural Plans Include Floridians

In inauguration activities, Florida will be prominently represented by Governor Bryant, members of his Cabinet and representatives of many State organizations. The fine Pensacola and Terry Parker (Jacksonville) High School bands will represent our State in the colorful inaugural parade.

In the parade, at the special request of President-elect Kennedy, will be Gerald Zinner, Winter Park postal employee, who had the unique distinction of serving aboard the PT 109 under Kennedy's command in the Solomon Islands in July, 1943 when the PT boat was run down and cut in two by a Japanese destroyer. Their old skipper made the effort to save the ten crewmen of that historic event to ride in the parade in the Navy's last PT boat which was sunk in Florida.

Also of interest to Floridians is the fact that one of the two vry destroyers assigned to Washington for the inaugural parade is under the command of a Pensacola resident, Commander Vincent L. Murtha.

New Sheriff Speaks To Jaycees Tonight

Newly elected Sheriff MacKenzie will be the guest speaker tonight at the meeting of the Belle Glade Jaycees at the Municipal Country Club. The public is invited to attend.

Last week Bob Lee, manager of Southern Bell gave a most interesting talk to fifteen members and their guests.

Chairman Jesse James of the Community Development Committee is now under way to a good start. The current project is another bridge across the Hillsboro Canal. Returns from last week's survey are still being evaluated and anyone missing call at your door, remember this is the inaugural and make a contribution.

Rogers, Friend, Jones Appointed Thomas Advisors

A bipartisan Legislative Advisory Committee has been formed by Jerry Thomas, State Representative of Palm Beach County, to advise him on legislative matters throughout the county.

Citing the vast economic diversification in Palm Beach County, coupled with its enormous geographical size and rapid transitional growth, Thomas stated the need for a legislative committee to assist in affording him with a comprehensive and intelligent study on legislative matters pertinent to the best type of representation for the county.

The committee will study legislative proposals for the County before the Legislature convenes in April and during its 60 day session.

The recommendations and findings of the committee will be made available to the other two members of the Palm Beach County Legislative Delegation.

Allen, Jones And Mathews New Composite Law Firm

The tendency to bigness, and great numbers in one law firm has caught up with Belle Glade. The joining together of Belle Glade's practicing attorneys, E. F. Allen, of the former firm of Beck and Allen, has joined with Claude Jones and Bobbie Mathews in the firm name of Allen, Jones and Mathews.

Mr. Allen has been practicing attorney in the Glades for years with the late Herbert D. Beck, and the other two are Glades products, who were initially in private practice in the community.

The growing activities of the Glades will find here a legal group ready, able and willing to care for whatever legal need is found desirable.

The offices of the group are in Belle Glade as the friends of the group returned Jones Building.

Federal S & Loans

Increase 100 Times

According to reports of Palm Beach County's Savings and Loan Association, they have grown more than 100 times in size since 1940.

Their assets in 40 years were \$1,630,782, while '60 figures are \$179,351,220.

Banks grew from the '40 figure of \$1,614,466 to \$172,632,407.

Wornout Engines and Inadequate Facilities Guard Farms and Homes From Normal Floodings

Nobody Refuses Checks For Race Track Funds

Comptroller Ray E. Green announced today that each county will receive \$14,500 from its share of race track funds.

This makes a total to date of \$41,000 received by each county.

The distribution of \$41,000 exceeds by \$3,500 the total received by the counties at this same time in any previous year.

PB Jr College Offers Geography And Art

Palm Beach Junior College will offer an evening course in the Element of Geography beginning the week of January 30.

Palm Beach County teachers will be particularly interested in this course which has been approved by the State Department of Education for receipt of credit and certification.

The Art Department is expanding its evening program and offers three courses for the new semester which begins January 30th. Courses in Painting, Sculpture, and Art Appreciation are available to adults. Each instructor is highly qualified in his particular field.

Painting and Ceramics are taught in the well equipped studios of the college. Art Appreciation class will be conducted throughout the entire course at the Norton Gallery with the wealth of original art in the collection available at all times for enrichment of the course.

Registration for courses may be made at Palm Beach Junior College, 1000 S. W. 8th St., from 7:00 p. m. to 9:30 p. m., evenings, Monday through Friday. Closed on January 30th. Early registration is desirable because class size is limited.

For further information, call JU 2-5301 or contact the Director of Evening Classes, Palm Beach Junior College, 1000 S. W. 8th St., Congress Avenue, Lake Worth, Florida.

Public School Improvement—

Drop-Outs Get Special Attention Here

Herman Close and Ruth Ervin advised Lions at a recent meeting of the work being done in the public schools with 35 pupils who are being given terminal training.

The group found that those quitting school usually do so at approximately the sixteen-year level. The program is designed to give the pupils who are dropping out a terminal training and a job.

PTA Council Hears

A panel discussion of Legislation was held at the PTA Council meeting held at the Belle Glade High School Cafeteria Tuesday night. The local PTA was host to the association.

Dr. J. Blank, Rep. Emmett S. Roberts and Rep. Jerry Thomas made up the panel, which was introduced by Mrs. Ruth Finley, program chairman.

Senator Blank spoke on the immediate need for new colleges and Junior Colleges here in Florida and over the United States and stressed that every one here in Palm Beach County fight for the Boca Raton College.

"Citizens must make needs known to representatives in Tallahassee regarding need and improvements in all fields of Education," Rep. Jerry Thomas said in his remarks.

Mother Of Mrs. Clark Dies In Tennessee

Mrs. Julia V. Allen, 74, mother of Mrs. N. B. Clark, died at the home of Mrs. J. M. Clark, 121 N. W. 8th St., Jacksonville, Fla., on Jan. 17. Mrs. Clark was 74 years old. She was a member of the Baptist Church. Her husband died in 1958. She was a member of the Baptist Church. Her husband died in 1958. She was a member of the Baptist Church.

Duncan Hines Likes The Clewiston Inn

Duncan Hines' 1961 edition of "Adventures in Good Eating" lists the Clewiston Inn as one of the 4500 eating places in North America. "Recommended by Duncan Hines."

Clewiston Inn, is owned and operated by the U. S. Sugar Corporation and is well known through Florida as a place to get southern cooking in a Colonial atmosphere.

Lake Okechobee fishing has made the Inn a vacation spot for travelers from afar as well as native Floridians.

PB Junior College Needs Scholarships

Many capable students at Palm Beach Junior College need the help of scholarships to continue their education.

The Palm Beach Junior College has in common with other educational institutions a record of rapid growth and development. As its enrollment increases each year, the number of students needing financial aid in order to enroll and pursue their college education also increases.

Attending a community college for the first two years of advanced study provides a tremendous saving to the student, but many talented students still cannot afford the estimated \$175 which annually pays for tuition, fees, and books for one student.

Belle Glade Lions Club will present the University of Florida Women's Club at the Belle Glade High School Auditorium on Monday, Jan. 30 at 8 p. m.

This is an outstanding organization and the community is fortunate in the club having an opening date to appear here.

Moore Haven's Chalo Nitka Feb. 25th

Offers Big Bass, Bands And Barbecue

Pretty girls, Seminoles Indians, big (really big) one bass, bands and barbecue are to be combined at the 13th annual Chalo Nitka at Moore Haven on February 25th.

Chalo Nitka, according to some Seminoles, means the Day of the Bass. Others claim that the name comes from the whopper size for which Lake Okechobee is famous. There is promise to be plenty of fish at Moore Haven, and barbecue chicken will be served as prepared by experts.

Koy C. Brown, General Chairman, has about everybody in the community assisting and he promises that there will be "a good time for everyone every minute of the day."

South Florida Fair Jan. 27 - Feb. 4

Showcase For So. Fla. Agriculture

Palm Beach, and eleven other southeast Florida counties will participate in the annual Fair to be held at the Fair grounds on Highway No. 40 midway between State Road No. 7 and the Turnpike, opening January 27th and running through February 4th.

The county school system's program emphasizes vocational and other interest in the fair. The Palm Beach Junior College and the elementary school of the county will be represented by exhibits.

Livestock, poultry and truck garden produce will be presented by Future Farmers, Junior Extension and 4-H Clubs.

Home Demonstration units will be represented by 17 adult units of the county. Mr. Ben York will have an exhibit for the WPB Recreation Department.

The County Medical Society will present one of the most outstanding exhibits on health and one of particular interest to students who anticipate entering the medical profession as a career or in a related vocation.

Arts and Crafts will be one of the largest exhibits and will include sculpture, ceramics, weaving and other crafts.

Amateur photographers will display their work on the fair grounds. The Florida Game and Fresh Water Fish Commission will enter its enlarged exhibit.

Volunteer firemen will stage a fire-fighting demonstration and fireworks will be seen over the lake.

Our armed forces will display the latest in missile development.

Engines that were here during the '28 hurricane and shortly thereafter, and one with a cracked crankshaft, pumping from ditches that are two shallow to properly drain tanks to the pumps, and pumping through intake tubes that are worn and not mended deep enough to properly pick-up water, are the facilities that guard the homes of farmers and some 30,000 acres of the richest Gladeslands farms on the south-east and southern shores of Lake Okechobee.

The South Florida Conservancy District is the sub-district containing some 32,000 acres, which include Belle Glade, and Chosen, that operates the water control facilities for the area.

Piecemeal repairs and replacement of "pooped" engines and other equipment finds an operating deficit of \$70,000 currently, with prospects of a \$93,000 minimum total deficit on October 31st, 1960, the end of the current fiscal year.

The engineer and manager both reported to the last Board meeting that "we're keeping our fingers crossed" concerning two things "that may go out anytime."

The emergency installation of a new engine and the lengthening of intake tubes at the Chosen Bend be done likewise. These are marked efficiency in removing water from the Belle Glade-Chosen unit during the last rainy season. There is a marked reduction in pumping costs too, says Manager Billy Jeffries.

An item of great interest is stalled, for the pumps may be replaced up to full capacity. The lengthening of the engine will allow the pumps to continuously pull full capacity from the pump, thus draining lands at the extreme end of the unit.

Three new engines have already been installed or are being installed, and there are still eight to go. Three intake tubes have been added to the unit.

The City of Belle Glade is the engineer's recommendation that the canal bordering the City on the south be deepened by removing considerable rock, and the one from Vinegar Bend be done likewise. These will make very effective the draining of the City and the land to the south of the City.

Very soon the entire matter will be put before a meeting of the Board of the City of Belle Glade. The City will have to finance what may be \$179,000.

Everglades Savings

Elects New Officers

At its first meeting following the annual membership meeting of the Everglades Federal Savings and Loan Association, Wednesday, the re-elected Board organized for the ensuing year's business.

Claude Shirley was elected as Chairman. Mr. Ben Apelgren was elected President and James A. Ball, Jr., was elected Vice Chairman of the Board.

All officers of the organization other than the above were re-elected to their positions. Key personnel were all authorized retained by the new Board, which is composed of re-elected former members.

Executive Vice President Richard Paston made a special report to the membership in which he pointed out the progress of the association during the past year's business.

Next week's issue of THE HERALD will give a resume of the Vice President's report.

First Baptist Choirs Prepare For Festival

The choir of the First Baptist Church are turning their attention toward preparation for the Association and District Musical Festivals.

This year the Association Festival is to be held in the First Baptist Church of West Palm Beach on Jan. 27-29. The Cherub and Carol Choirs will go over Saturday morning to perform, leaving the First Baptist Church Belle Glade at 8:15 a. m. Parents are asked to have their child ready at the church at 8 sharp, in order to be on time for the event.

The adult choir will perform Friday night, Jan. 27 at 7:30 p. m. Each choir will sing two numbers of their own choosing. The Festival is open to the public and as many as can attend to go.

Planks Entertain Sunday School Class

Mr. and Mrs. Leland Plank entertained his Sunday School Class at their home in Belle Glade Thursday night. Bingo and other games were played with Tyra Lee, Jamie Lee, Judy Plank, James Henderson winning prizes.

Refreshments of mints, nut cookies and hot chocolate and marshmallows were served. Others attending were Linda Plank, Ronny Lee, and Art Johnson, Gladys Messer and Mrs. John D. Hemphill.

Methodist To Hear Rev. Fred E. Henry

The Rev. Fred E. Henry, son-in-law of Mr. and Mrs. F. E. Hollingsworth, Sr., will be the guest minister at the Sunday Methodist Church on Sunday morning, Mr. Henry is a Methodist Minister with special appointment as Chaplain and one of the directors of Devereux Schools, in Denver, Pennsylvania.

At the evening service, the pastor, the Reverend Lee Rustin, will begin a new series of worship program designed to make clear the basic beliefs and actions of a Methodist. Christian. Mr. Rustin said, "In my opinion this new series of worship to Methodist Doctrine will prove to be most interesting and informative to Methodist and non-Methodist alike."

Mrs. Hooker Hostess To Mary Ruth Circle

"Looking Backward, Thinking Forward" was the subject of the program given by Mrs. George Farnall at the meeting of the Mary Ruth Circle of the W. S. C. of Community Methodist Church held at the home of Mrs. W. R. Hooker. The devotion by Mrs. E. C. Mapp was also taken from that subject.

During the business session the group made plans for a rummage sale in which all the circles will participate on Feb. 4 and completed plans for the supper on Feb. 14 preceding the second church wide study on "Alcohol and Christian Responsibility."

Mrs. Dora McWhorter will be chairman in charge of arrangements for the supper. Present were Mrs. Ralph Kidd, Mrs. E. F. Saunders, Mrs. D. C. DeHaven, Mrs. Ivan Van Horn, Mrs. F. E. Nazarene Giving \$142 Per Person For New Record

Per capita giving of \$142.37 set a denominational record in 1960 in the Church of the Nazarene. The increase was nearly \$7 per person over the preceding year.

Giving for all purposes climbed to a record \$45,350,000, an increase of \$3,170,000. The total was \$42,180,000 in 1959.

The annual statistical report released by Dr. S. T. Ludwig, Kansas City, general secretary, showed that membership increased to 319,593. This was a net gain of 7,293 persons.

The denomination started one new church a week or a net gain of 48 during the year and a total of 4,741 churches on Jan. 1, 1961.

Gains in membership also were recorded for 1960 by the Sunday school, Foreign Missions society and the Young People's society.

American Samoa and Denmark were among world areas in which new Nazarene work started in 1960. At year-end, the denomination had more than 100 full-time missionaries in 42 world areas.

Special offerings for world missions at Thanksgiving and Easter each exceeded \$1,000,000.

Commenting on the report, Dr. Ludwig said: "Total giving for all purposes during 1960 exceeded anything we have done as a denomination. The \$142.37 per capita figure also was a church record."

The membership gain of 234 per cent, while not quite up to 1959, was better than we had expected in view of our biennial world assembly held last June in Kansas City."

Churches Of Christ Scientist

"What is Truth?" is a vital question to be considered by Christian Science services Sunday.

Scriptural selections in the Lesson-Sermon on the subject of "Truth" will include this reassuring statement: "I will cry unto God in high voice; unto God that performeth all things for me. He shall send from heaven, and save me: his right arm shall uphold me, and shall send forth his mercy."

The importance of prayer in understanding Truth is emphasized in this citation from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (1875): "We cannot change the unalterable Truth, nor can prayer alter what is an unchangeable Truth; but prayer, coupled with a fervent habitual desire to know and do the will of God, will bring us into all Truth."

100% Membership

The following girls and boys of the Junior 11 and 12 year Department of the First Baptist Church were 100 per cent members each Sunday in the last quarter on the six point record system; Jo Ellen Hudspeth, Sherry Knight, Ronnie Smith, Sherri Burgess, Pamela Bubbin and Scottie Graham.

Altar Society Plans Rummage Sale Feb. 11

St. Philip's Altar Society will hold at the home of Mrs. Charles Fontaine with Mrs. Leon Markey as cohostess.

Mrs. Vera Jones presided over the business meeting. Reports were heard from committee chairmen and the group made plans for a rummage sale on Feb. 11.

Indian Theme Used In WMU Program

"Indians in the Southwest" was the topic of the program at the meeting of the Women's Missionary Union Tuesday evening at the First Baptist Church.

Mrs. Lorraine Dowdy had charge of the program, with Mrs. Edwin Rice, Mrs. Mary Moody, Mrs. J. R. Nutt, Mrs. Lewis Williams, and Mrs. J. W. Mosley taking part. Each was dressed in Indian costume, and Mrs. Williams carried a papoose doll on her back. A long table displayed Indian handicraft and Indian made rugs hung on the walls. Approximately 50 attended.

During the business meeting, presided over by the president, Mrs. Mary Schuchman, Mrs. Burke, publications chairman, explained and displayed the four Baptist publications available to members. A short quiz taken from the magazine, Royal Service, was held.

Announcements were made that the Week of Prayer would be from March 6 to 10th; that on Thursday evening study of the Bible would be given, at which time a dinner would be served in the recreation room; that on Monday, Thursday and Friday a prayer service would be held between 12 noon and 1:00, with a sandwich lunch and hot drink being served.

Mrs. Schlechter also announced that on January 28th an institute on home mission books for the various departments will be held at the church.

On February 8th, the Palm Lake Association is scheduled to meet at the First Baptist Church in Palatka, with conferences in the afternoon.

Temple Beth Shalom Activities

The rummage sale which was held Saturday by the Ladies Auxiliary turned out to be a great success. Fear of a rainout was dispelled when the sun broke out from behind the threatening clouds shortly after business got underway.

Chairlady, Bobbie Lee, would like to thank the Kaufman family, Sue Stevie, Farrell & Jack, Martha Lee, Joan Levy, Vivian Weiser, Mae Magrill, and Mrs. Eddy for their assistance and also everyone who contributed their clothes and time for this project.

Lake Harbor WMS Bears Royal Service Program

The W. M. S. of First Baptist Church held its regular monthly meeting Jan. 9th at the church. The Royal Service program was presented by the theme being "That Our Lord Brother May Know Our Savior's Love."

Mrs. Elbert Hebert presiding, opened the meeting with the W. M. S. Watchword, Mrs. Adams was in charge of the program, after which a short business session was held. The meeting was adjourned with Sentences Prayers remembering ones on our "Calendar of Prayer."

Rallies Prepare For Billy Graham Crusade March 5-26

"God's Blueprint for Revival" was disclosed to more than 100 persons Sunday afternoon at a Prayer Rally in preparation for the United Prayer Program of the Billy Graham Greater Miami Evangelistic Crusade, March 5-26.

The rally, in the Miami Shores Presbyterian Church, was the first of three preparatory sessions sponsored by the General Board of Christian Education of the United Methodist Church.

Similar rallies were held at 3:40 p. m., Sunday, January 15, in the First Baptist Church of Coral Gables, 536 Coral Way.

The Prayer leaders who attended the Miami Shores rally, the nucleus of more than 1000 persons recommended by their pastors as participants in the United Prayer Program, heard repeatedly that there can be no revival unless Christians follow "blueprints" given in II Corinthians 7:14.

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Willis G. Haymaker, Crusade Director, outlined the method which is bringing millions of Christians around the world into a great United Prayer Program for the Greater Miami Crusade.

He disclosed that Billy Graham will preach at the Sunrise Easter Service at Bok Tower, Lake Wales, and that plans are underway to broadcast the service over a nationwide hookup.

The United Prayer Program, which will begin February 7 and continue until February 26, has these specific objectives:

1. To help God's people meet His conditions, to build the Church according to His "blueprint."

2. To take the prayer meetings to the people. Someone has said that "the trouble in the world today is not so much 'non-church going' as it is a 'non-going church'."

3. To make the people of the area "revival conscious," concerned and burdened for the spiritual needs of the community.

4. To unite the Christians of the community as never before, in presenting a solid front, so that they may stand effectively with Dr. Graham as he leads the Christian forces in this Greater Miami Evangelistic Crusade.

Dr. R. B. Culbreth of Miami Springs Baptist Church presiding at the Rally, and the Rev. A. A. Koestline of Allapattah Methodist Church, have been designated by Dr. Culbreth as chairman and Mr. Koestline, co-chairman, of the General Prayer Committee.

Revival Continues Here Thru Friday

The Revival Meeting which has been in progress since Sunday night at Community Methodist Church will continue tonight and Friday. The Rev. Barclay Jackson of Jacksonville has been leading the singing. This has been a highlight for everyone, especially the young people.

Dr. George Foster, pastor of Park Temple Methodist Church, of Ft. Lauderdale, is the Evangelist.

Better Tractor Safety Subject At Exp. Station

On Wednesday, January 25, at 12:30 p. m. at the Everglades Experiment Station there will be a demonstration on tractor tipping, according to County Agent Amounts. What will be shown will be methods and means of better tractor safety. The tipping of tractors is simply one of the tools that will be used in this program.

This will be a cooperative venture of the Florida Farm Bureau, the Agricultural Extension Service, and the Everglades Experiment Station. We invite all farm owners, farm managers and tractor drivers to this meeting. Every year we have some serious accidents as a result of being too careless with some of our farm machinery. This is an expensive problem and one that with proper information and advanced planning could be avoided on all farms in the county.

Mystery Explosion Shakes South Bay

A mystery explosion shook the entire community here Saturday night and was heard as far as Belle Glade four miles away, and as far south as Okeechobee. South Bay Chief Police Marvin Davis said the blast occurred at approximately 6:45 on N. E. 8th Street in a populated negro section.

The blast left a hole four feet deep and eight wide. The explosion, he said broke several windows in the community, including six in the house nearest to the blast. It also broke a water main running under the street.

The only clue found was an eight-foot-long charred piece of fuse, which he found nearby. It has been some kind of high explosive, Davis said. "If it was caused by dynamite, 40 or 50 pounds would have to be used to cause such a blast."

Carpenter, Remson Attend Conference

Milton Carpenter, Belle Glade and John Remson, Riviera Beach newly elected school board members attended the two day Florida State Conference for new school board members held at the Florida State University in Tallahassee.

The purpose of the conference was to orientate newly elected board members on the problems and duties of the office and aid them in more effectively performing the functions of the office.

Mrs. Carpenter accompanied her husband and while in Tallahassee they were guests of his sister, Mr. and Mrs. Dan Borgman.

Santa Claus, with his elite guard of festooned hatted toy soldiers reigned over the Holsum Bakers plant in South Miami.

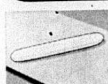

The theme this year for Holsum's traditional display was a "Medieval Christmas." The scene shows a realistic castle with stained glass windows, battlements and turrets, all lavishly decorated with a 10 foot mechanical Santa Claus sitting on a jeweled throne. Santa overlooks a wishing well with the proceeds going to local charities.

In size, the display measures 50 feet wide and a depth of 20 feet. The display extends upwards to 55 feet.

An estimated 90,000 spectators viewed this year's display.

Sof-twisting
is the secret
Sof-twist

Each roll of dough hits a puddle set at just the right angle.

This causes it to spin up and around, and as it moves forward twist into a tight coil.

This squeezes out all the air bubbles, seals shut each tiny cell of good bread flavor.

The result: A soft, smooth loaf, with oven freshness locked in.

Vandegrift And Markham Appointed By Conner To State Advisory Group

A legislator and a former president of the Florida Fruit and Vegetable Association were named by Commissioner of Agriculture Doyle Conner to the State Agricultural Advisory Council.

W. Allen Markham, member of the House of Representatives from Okeechobee County and Roy Vandegrift, Jr., of Pahokee, past president of F. V. V. A., received their appointments while participating in the Herbert Hoover Dike Dedication here. Both will serve for two years.

Markham, who is currently engaged in the vegetable canning business in Okeechobee, will represent the food processing interests of the State on the counseling group. He is a past president and one of the founders of the Florida Vegetable Canners Association and is a director of F. V. V. A. He served his first term in the House in 1939 and was the author of the Agriculture Committee.

TB Cases Up In County Seal Campaign Short

Provisional figures for 1950 show an increase in the number of new and reported cases of tuberculosis in Palm Beach County, according to Doyle Rogers, president of the Palm Beach County Tuberculosis and Health Association.

"County Health Department figures indicate 95 new cases and 36 reopened cases of tuberculosis for 1950 as compared to 89 new and 24 reopened in 1949. This is alarming to the Association, in view of the fact the Christmas Seal Campaign is still short over \$15,000 of the amount needed for its TB prevention and control program in 1951."

The total of the Christmas Seal Campaign is \$40,000 and it is hoped that late contributions will boost it to enough to enable the association to be an adequate, in fact, a leading program during 1951."

Totals from towns in the county are as follows: West Palm Beach, \$17,125.91; Delray Beach, \$6,361.96; Riviera Beach, \$3,052.52; Lake Worth, \$8,662.38; Lake Park, \$781.25; Delray Beach, \$4,880.94; Jupiter, \$689.50; Pahokee, \$493.65; Loxahatchee, \$31.60; Belle Glade, \$1,000.15; Greenacres City, \$1,115.50; Lake Harbor, \$33.00; South Bay, \$170.01; Canal Point, \$278.15; Pelican Lake, \$9,000.00; Ft. NEGRO NEWS

Social Activities Negro Irritate Muck Muck Hospital Notes

Alberta Ware "muck license" wife of Howard Smith displeased Howard with some social activities to the point where he took restraining action, to correct a misuse of social privileges.

Howard, reportedly, poured lye in Alberta's mouth early Sunday morning and locked her in her room, from which she escaped sometime Monday to report to the police. After medical care, Alberta returned to a husbandless home.

The police have been "nigh onto" Howard several times in his dogging tactics, but they hope to have him answer to the law shortly for his irregular disciplinary actions at home.

Tenants Family Row Leads To "Sure Shot"

Ira Lee Clark and wife engaged in a normal Saturday night argument that became too loud and sounded like furniture was being used in attack and defense.

Mac Bigelow, house manager for Milton Rader, attempted to "quieten" down the racket, but was met with a butcher knife in rebuttal. Mack retired to his quarters got his gun and returned. As he approached the family door, Ira Lee fired a shot. Mac did not take any chances; he stopped Ira Lee with a bullet in the shoulder. Now Ira Lee is recuperating with the aid of wifely sympathy, and Mack is facing the Judge for a series of offenses.

Hawks Beat Lions Two Out Of Three

The East Lake Hawks Mikes team lost to the Moore Haves Lions by a score of 8 to 14. The girls having a great success won their game 48-40 over the Lions. The boys game a very tight one, but the good shooting of Cunningham and his teammates the Haw's won 63-59.

Leslie Barber a very fine player pulled 35 rebounds off the boards for the Hawks. He was also second high point scorer for Hawks.

Sebring Endurance Race Removes Fuel Brand Rule

Reginald Smith, Race Secretary for the Automobile Racing Club of Florida sponsors of the 11th annual running of the 12 hour Endurance Race for Sports and Grand Touring Cars here in Sebring, Florida, announced today, that the removal of fuel brand restriction in the 1951 class has left the way open for entries from all manufacturers and owners of high speed racing equipment.

Regulations, approved by the Federation Internationale de l'Automobile, governing body of all international road racing circuits, have been mailed to all interested owners and drivers. Returned entries show an overwhelming interest in this race comparable only to the 24 hour race run at Le Mans in France every June.

Debris from Don's mighty hurricane winds is being cleaned up at the circuit and contractors are ready to move in with preparations to make the five point two mile Sebring Circuit ready to receive the annual 12 Hour of Endurance race for Sports Cars and Grand Touring Cars.

Practice days Wednesday and Thursday will be free to spectators. Two additional races are scheduled for Friday, March 24. The big one running the full twelve hours Saturday, March 25, from 10 a. m. to 10 p. m. with new low prices for both 'sys should prove a real crowd pleaser.

For advance ticket sales and race information write ARCF Box 71, Sebring, Florida.

Necessity, Jig-Saw, Talent, Public Convert An Incident Into Vocation

Mrs. Greer and daughter, Jeniaura wanted to "ade" some imperfections of designs and/or arrangement. These are not evident to a novice. But we could see the pine cones, the crocheted pads, magnolia leaves and assorted other items of "weeds" and flowers, all bronzed or painted for personification. The bloom in the lower center of each piece is made of petals shaped from the bark of the tree.

Patly, who has just celebrated her sixth birthday among Grandmother's and mother's work-shop, is proud of the "dog" and "duck" stools made for the church bazaar. An ardent fan of this "industrialization" of her home.

And hereby you will find a moral — several of them, as a matter of fact — consistent with your own thinking.

Jeniaura Roberts, wife of our House member, Emmett, had the chore of providing some items for sale by her Church Bazaar, as an organizational contribution to the funds of the Episcopal Church.

A natural inclination, with background of parental example produced the idea of making "Candle Stools" of wood, and successful with neighbors as customers, and brought the request from one that a dried floral arrangement be made a part of the completed piece.

Mrs. Greer, whose home place of some 50 years ago, still has the city limits of Gainesville, Fla., added her efforts by producing an assemblage of petals shaped from bark of the Cup port tree, adding some magnolia leaves and miscellaneous items.

Before the bazaar came off, Jeniaura was selling her manufactured articles as fast as made, and had to stop selling so that some could be put in the display. Her contribution to the bazaar was successful and requests by friends still came in, so she began taking orders for dried arrangements as a part of her finished item, and is busy now taking care of ordered for future delivery.

The base of the normal piece is from 1 x 8 fir, which is cut and shaped with a borrowed jig saw, stained, varnished and steel-wool-rubbed and polished, with a sub-base of the same material. Flowers are drilled

wards to the various high schools in the area to be presented to graduating seniors who are enrolled at Palm Beach Junior College.

Student assistants are the second type. These are given by donors to Palm Beach Junior College to be awarded to students as payment for work with the various college departments at the rate of \$1.00 per hour.

Money donated to the scholarships program may be deposited with the college finance department to be given to students at registration each semester. Money for the year or first semester is due on May 1. Money for second semester is due on December 1. Organizations may elect to give monies directly to the student.

Mrs. Elizabeth Crockett, Chairman of the Palm Beach Junior College Scholarship Committee, stated that any amount contributed is appreciated on the basis of scholarship to cover one or two year period for individual students. Although \$175 is the estimated need for a full year's tuition and books, donations of \$50 or less may be put into the student assistance fund.

Donors giving scholarships other than through the scholarship committee make their own policies as to recipients. The scholarship committee cooperates in the organization of stipulations, such as the academic program in which the recipient is enrolled, place of residence, high school record, etc.

The scholarship committee awards on the basis of scholarship, ability, character, and financial need. Sophomore and second semester freshmen are given preference over entering freshmen.

Referring on the scholarship committee of Palm Beach Junior College are: Dean Paul W. Stearns, Miss Mary Ann Johnson, Miss Emma Phillips, Miss N. Jensen, Mr. Robert Replogle, Mr. Ples Masten, and Mrs. Elizabeth W. Crockett, Chairman.

If any organization does not receive funds from the scholarship committee relative to the college scholarship program, Dean Paul J. Glynn invites a representative to call him at the Student Personnel Office, JU 2591. Dean Glynn also is happy to provide a speaker from a member of his staff if the organization wishes further information and help in developing plans suitable to the group's interests and needs.

Registration Turn Jan. At PB Junior College

Counseling and early registration for the evening classes at Palm Beach Junior College began on Jan. 9 and continues through January 27, according to Dr. Paul W. Graham, Director of the Evening Division. Students enrolling for credit must be high school graduates, and are responsible for securing their high school transcripts, state-issued High School Equivalency Diploma, and college transcripts for the Evening Registrar.

No medical examinations are required. Placement tests in Mathematics will be given at the College on January 23 at 7:00 p. m. to 9:00 p. m. at the General Office of the College. Students enrolling for credit must be high school graduates, and are responsible for securing their high school transcripts, state-issued High School Equivalency Diploma, and college transcripts for the Evening Registrar.

Veterans using educational benefits for the first time should process the necessary documents with the Veterans Administration Office in West Palm Beach, indicating intention to enroll in certain courses for a stated educational objective.

Harry Vaughn, with the assistance of Bill Lanier and co-operation of Mayor Jones of Cleveland, County officials and local residents joining in actual labor to make the affair a successful one. The financing of the event was no matter of small consequence.

The Glades may well take pride in (1) the organizing of the idea and enforcing it through its civic organizations, its municipal groups and securing the cooperation of higher and more influential groups to the floor of the Congress, (2) the recognition of a man for his accomplishments in providing the dike, and (3) the handling of such a gathering efficiently.

"When it is remembered that all this took place in a 90 percent democratic community — The Glades — in one of the home counties of our incoming President more honor is due both the recipient and the organizers and participants."

Speedway Driver To Talk At BGHS

Johnny Boyd, veteran Indianapolis Motor Speedway driver, will speak to the students of Belle Glade High School on Friday, Jan. 20 at 9:45 a. m.

are driving cars in heavy traffic every day.

The Indianapolis race driver compares driving on the big speedway with everyday operations on our highways and insists if every motorist would be as courteous and as alert as the race driver and keep his car in as good condition there would not be the heavy traffic fatality toll being experienced today.

Mr. Boyd will relate many of his experiences on the race track and some he has had on the highways which he travels some 35,000 to 50,000 miles a year as he delivers his safety lectures. Preceding the talk, the speaker will show a sound and color movie made at the Indianapolis Speedway especially for use of the highway safety team.

The National Safety Council has recognized the program by presenting its public service award to Champion Spark Plug Company for developing and maintaining the presentations in the public interest. It has also been recognized editorially by the SATURDAY EVENING POST and more than 5,000 letters from educators, civic leaders and law enforcement officers attest to the value of the presentation.
